PRODUCT INFORMATION

# CHAIN CLEANER

## Degreaser cleaner for motorcycle chains

### DESCRIPTION

A powerful and effective degreaser that removes dirt (dust, sand, earth, oil and grease). Specially developed to clean all types of metal surfaces, especially O-ring, X-ring or Z-ring transmission chains, whether or not they have seals, of motorcycles or machinery.

### PERFORMANCE

The chain cleaner is formulated with a mixture of synthetic hydrocarbons. Colourless, transparent product with a neutral odour. Formulated to evaporate quickly without leaving any type of residue.

### CONDITIONS OF USE

- Spray on the surface to be cleaned and leave to dry.
- If the chain/surface is very dirty, clean paintbrush a brush or non-abrasive brush and spray again.
- Then lubricate the chain with Chain lube (off-road) or Chain lube dry (road).
- To extend the life of the chain, it is recommended to repeat this operation every 1,000 km.

### TECHNICAL FEATURES

<b>DENSITY:</b>	0.760
<b>VISCOSITY AT 40°C:</b>	1 mm <sup>2</sup> /s
<b>FREEZING POINT:</b>	-6°C / 21.2 F

Rev. 11/23
