

PERFORMANCE LUBRICATION

PRODUCT INFORMATION

# SILICON PLUS SPRAY

## Silicone based polish

### DESCRIPTION

It is a silicone spray specially formulated for maximum performance in its applications. With an ultra-fine spray, it allows perfect control in the product application.

### PERFORMANCE

It enhances shine and revives colours on car and motorcycle fairings, plastics, dashboards, rims, mudguards, vinyl roofs and dashboards. It does not stain and leaves a protective dry film that prevents the deposition of dust and insects. It repels water and humidity. Compatible with plastics and rubbers. Easy-to-apply, it leaves a pleasant lemon scent.

### CONDITIONS OF USE

- Shake well before use.
- Keep the bottle upright, both during storage and when using it.
- Spray the surface from around 30 cm.
- Leave to dry and use a soft cloth to give a perfect finish.
